

Toolroom Knights label founder Mark Knight releases his second installment to the seminal DJ mix series on Jun 6th available locally through onelove.

Onelove Music Group is pleased to announce that, for the very first time, the globally-essential **Toolroom Knights** DJ mix series is being locally manufactured and marketed.

The new distribution deal sees the brand new **Mark Knight** installment in the hugely successful series released on June 6 along with the now classic **Benny Benassi** and **Dirty South** releases on July 25.

Toolroom Knights resides at the cutting edge of upfront dance music, with some of the globes top DJ and production talent providing top-selling upfront mixes for the globally-recognised imprint.

Pushing new boundaries and blurring the lines between DJ and producer, Mark's second **Toolroom Knights** compilation boasts a mass of exclusive tracks written specifically for the compilation, alongside tons of unreleased tracks by label favourites *Tiger Stripes*, *Mark Mendes* and *D-Formation*. Singles for the compilation include Mark's new offerings '**Mannheim**' and '**Club Politics**', Funkagenda's sublime '**Do Geese See God**', '**What's Occurring**' by Leaders Adam S, a remix of Funkagenda's '**Breakwater**' courtesy of Dataworx and a spanking new remix of the Leftfield classic '**Phat Planet**' by Mark Knight & Funkagenda, all exclusively available for the first time.

Mark Knight is available for interviews. Please direct all media enquiries to Joselyn Brown.
